WHOLESALE TERMS, CONDITIONS AND OTHER NOTES

All wholesale customers must check in at the front office and identify yourself and your company before making your selections. This enables us to inform you of availability and/or location of plant material.

Wholesale pricing is intended strictly for wholesale customers only (registered businesses that are engaged in the horticultural industry). We reserve the right to revoke wholesale pricing at any time when it may appear that a customer is not purchasing for business use.

While we do our best to have the plant material that you see in the catalog in stock, it is subject to availability and prior sale.

All prices are subject to change without notice.

To receive our weekly availability via email please call the office at (708) 532-3575 or email info@tedsgreenhouse.com.

ORDERING INFORMATION:

There is a \$50.00 minimum on all wholesale orders.

Starter plugs of many items are available. These items must be ordered 6 - 8 weeks prior to desired ship date. Please call the office for details.

During the month of May orders are to be placed via fax (708) 532-3585 or email (info@tedsgreenhouse.com) at least 48 hours in advance for pickup or delivery. Phone orders will be processed at the end of the business day on which they are placed.

Orders picked out by Ted's Greenhouse are sold in full case quantities only. Case quantities may be broken only when customers choose plant material.

Any orders cancelled, regardless to time period, is subject to a 35% restocking fee. **(This is strictly enforced.)**

WHOLESALE TERMS, CONDITIONS AND OTHER NOTES

ORDER PICK UP INFORMATION:

All vehicles being loaded by wholesale customer must have a Ted's Greenhouse employee present. Plant material must be cleared by Ted's Greenhouse before leaving the premises. Non-compliance will result in having wholesale status removed and all account privileges revoked immediately.

All plant material leaving the premises must be accompanied by a bill of sale or receipt.

When required or requested, a boxing charge of \$3.50 per carton will be added.

DELIVERY INFORMATION:

A minimum delivery charge of **\$35.00** will be added to all delivery orders. Extra charges will apply for delivery outside of normal delivery area. Adequate assistance with unloading of your delivery is required or extra charges will be applied to your invoice.

RETURN MATERIAL INFORMATION:

As specified on all order receipts, any claim for return or disputed material must be requested within 24 hours. Due to the fact that this is live material no adjustments will be made after the 24 hour period.

Any returned material must have a signed return form from Ted's Greenhouse at time of return or credit will not be issued. **(This is strictly enforced.)**

PAYMENT:

Cash, business check, Visa, MasterCard or Discover are accepted.* We do not accept personal checks or American Express for wholesale accounts.

*** A 6% administrative fee will be added to all credit/debit card payments.**

ERYTHROSORA 'BRILLIANCE'-Brilliant Autumn Fern; lustrous orange color of newly emerging fronds; best leaf color in part sun, 2' tall. **4.5"-B 1GAL-E**

ROBUSTA-Male fern, vigorous grower, 3' tall and wide **4.5"-B 1GAL-E**

MATTEUCCIA STRUTHIOPTERIS-Ostrich Fern

Tall erect fronds, 3-5' tall

M.S. THE KING-Jumbo Ostrich Fern, 7' tall **4.5"-B 1GAL-H**

ONOCLEA SENSIBILIS-Sensitive Fern

deeply lobed foliage, 18" tall **4.5"-B**

OSMUNDA

CINNAMOMEA-Cinnamon Fern; fertile fronds are brown, 3-4' **4.5"-B 1GAL-E**

REGALIS-Royal fern, fronds green, stem of frond is purple, 3' tall **4.5"-B 1GAL-E**

POLYSTICHUM

ACROSTISOIDES-Christmas Fern evergreen, 18" tall **4.5"-B**

POLYBLEPHARUM-Tassel fern evergreen, vase shaped clump, 24" tall **4.5"-B**

HARDY ORNAMENTAL GRASSES AND THEIR RELATIVES

ACORUS -Sweet Flag

Full sun to part shade, evenly moist soil

GRAMINEUS LICORICE - Green leaves with licorice scent, 8" tall **4.5"-B**

G. MINIMUS AUREUS - Gold foliage, 4" tall **4.5"-B**

G. OGON - Gold and green striped leaves, 12" tall **4.5"-VV 6"-D**

G. VARIEGATA - White and green striped leaves, 12" tall **4.5"-B**

ANDROPOGON GERARDII - Big Blue Stem

Part sun, evenly moist soil, clumping non-invasive, expanding a few inches per year

RED OCTOBER - Burgundy red tips on dark green foliage. Plant turns vivid scarlet after frost. 5-6" tall **1GAL-T**

ANDROPOGON SCOPARIUS - Little Blue Stem

Full sun, evenly moist soils

PRAIRIE BLUES - Grayish-blue foliage, orange-red in fall, 3' tall **1GAL-E**

CALAMAGROSTIS - Reed Grass

Full sun to partial shade, well drained soil

BRACHYTRICHA - Rosy flowers, 3' tall **1GAL-E**

ELDORADO - Green leaves with bright gold center, 5' tall **1GAL-E**

KARL FOERSTER - Wheat colored flower spikes, 5' tall **4.5"-B 1GAL-E**

OVERDAM - White variegated foliage, gold flowers, 3' tall **1GAL-E**

CAREX - Sedge

Full sun to partial shade, evenly moist soil

BEATLEMANIA (C. caryphyllea) - Gold striped foliage, 6" tall **1GAL-E**

BLUE ZINGER (C. flacca) - Blue foliage; 18" tall **1GAL-E**

ELATA 'BOWLES GOLDEN' -Gold leaves with green edge, 30" tall **1GAL-E**

*EVERCOLOR EVERSHEEN- Lime yellow striped foliage. 16" tall. **1GAL-NN**

ICE BALLET (C. morrowii) -White edge, 18" tall **1GAL-E**

CHASMANTHIUM-Northern Sea Oats

Full sun, well drained soil

C. LATIFOLIUM-Nodding flattened seed heads, 3' tall **1GAL-E**

ERAGROSTIS SPECTABILIS-Purple Love Grass

Full sun, well drained soil

Pink flowers, twisted green/red leaves, 10" tall foliage **1 GAL-E**

ERIANTHUS RAVENNAE-Northern Pampas Grass

Full sun, well drained soil

Stately plumes to 12' tall **1GAL-E 3GAL-L**

FARGESIA RUFA-Clumping Hardy Bamboo

Part sun, evenly moist soil, non-invasive, 8' tall **1 GAL-LL**

HARDY ORNAMENTAL GRASSES AND THEIR RELATIVES

FESRUCA GLAUCA-Blue Fescue

Full sun, well drained soil

ELIJAH BLUE-Foliage is powder blue, 10" tall **1GAL-E**

HAKONECHLOA-Japanese Forest Grass

Partial shade to shade, well drained soil

H.M. MACRA AUREOLA-Cascading yellow variegated leaves, 18" tall **1GAL-NN**

H.M. ALL GOOD-Gold leaves, 18" tall **1GAL-NN**

JUNCUS EFFUSUS-Corkscrew Rush

Full sun to partial shade, wet soil

J.E SPIRALIS-Green foliage that twists as it grows, 12" tall **1GAL-E**

MISCANTHUS - Japanese/Chinese Silver Grass

Full sun - well drained soil, clump forming

GIGANTEUS - Panicles to 20", 9' tall **1GAL-E 3GAL-L**

GRACILLIMUS (M. sinensis) -White flowers, arching leaves, 5' tall **1GAL-E 3GAL-L**

LITTLE ZEBRA (M. sinensis) -Gold banding, with red-purple flowers, 4' tall **1GAL-E**

MORNING LIGHT (M. sinensis) - Silver variegated leaves, red flowers, 5' tall **1GAL-E 3GAL-L**

SILBERFEDER (M. sinensis) (Silver Feather)- Silvery plumes, 6' tall **1GAL-E 3GAL-L**

ZEBRINUS(M. sinensis) - Zebra Grass, yellow bands, 6' tall **1GAL-E 3GAL-L**

WINE AND ROSES - **PW**, Burgundy foliage, pink flowers, 4' tall **2GAL-F**

HERB LIST

All herbs except those marked with a ☒ symbol will have our custom bar coded Garden Cuisine locking tags with matching blue 3.5" pots.

Plant Type Codes :

HP=Hardy to negative 20 degrees Fahrenheit

TP=Tender Perennial (Not hardy below -20 degrees F)

B = Biennial (takes 2 growing season to complete a life cycle)

A = Annual (take 1 growing season to complete a life cycle)

RSA = Reseeding Annual

Since 2004 our commitment to bringing you pesticide and fertilizer free herbs has continued to grow. While the certification process to become organic is unrealistic in our operation we can say that we will be growing our herbs in an all natural way using biological control for pest problems and an organic fertilizer for the plants nutritional needs.

We also offer point of purchase (P.O.P) material for our garden center retailers with our new garden cuisine website listed on it - www.gardencuisineherbs.com

AJOWAN_ Trachyspermum ammi (A)

From India where its pungent aromatic seed are in great demand in curries, pickles, confectionery and beverages **3.5"-AM**
